

The FIRST NATIONAL BANK

OF BROWNSVILLE, TEXAS

ESTABLISHED 1891

Our Aim in Business

WE DESIRE to make the First National the Bank of the People. The small depositor receives the same courteous treatment and consideration that is extended to the largest, within the limits of safe and conservative banking. Officers give personal attention to all details. Directors meet regularly and frequently, and keep closely in touch with the current business. Every safeguard known to safe and successful banking is availed of, and our past success is the best criterion by which to judge the security of the future.

Capital \$100,000

THE FIRST NATIONAL is pre-eminently the Bank of the Frontier. Its stockholders belong here. Its interests are those of our best and most progressive citizens. We offer to our customers, present and prospective, the advantages of the largest capital and surplus of any bank in this section, and of the safe and conservative banking methods which have resulted in the successful building up of this bank in the past twelve years.

Its financial position is established, and the energy, experience and business ability, of the management will continue to be wholly directed to the maintenance and increase of these advantages.

People who intrust their money to a bank have a right to know its financial strength. We recognize this right and will cheerfully furnish any depositor a statement of our condition any day in the year. Absolute safety is the best thing we have to offer, and upon this basis your account is solicited.

You are right. Most people here believe his thinking apparatus is out of gear.

Deafness Cannot be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars free. F. J. CHENEY & Co., Toledo, O. Sold by Druggists 75c.
